Member Macklin shared he had two fully assembled craft bags left over from Harvest Festival.

CDD Urban stated he would have to get a background check to ensure he could attend.

Chair Miller encouraged everyone to stop by the Division Office and ask for the background check form.

PWD Schauer stated he would also attend and encouraged everyone to complete the form for the background check because of the new administration at the school.

Ms. Blake stated the forms were also online on the District website and you could drop it off at the District Office.

Chair Miller offered that 10:00 a.m. might be a good time to start the event.

CA Michel encouraged her to work with CDD Urban to ensure everything would be ready to go for that event.

CDD Urban recommending paring the dog parade with some other event next year. He further stated an example would be dog parade and movies in the park.

Member Reeves asked about the risk of dogs at City Park.

CDD Urban explained Recreational Immunity covers all the risks at City parks; however, once you charge to use these facilities, recreational immunity is not a defense. He further stated donations were not the same as charging for use.

6. Veneta 4ths (\$1,100 Budget)

Liaison Benson updated the group on the band selection. She was waiting to hear back from some bands and hoping to learn their fees.

Liaison Benson stated both bands were viable options, but the budget may increase dependent on the cost of the selected band. The sub-committee will make the final decision on April 12th.

Liaison Benson asked if Chair Miller would be available to allow the water slide at Veneta 4ths.

Chair Miller stated Liaison Benson should reach out to Bryan Sayles, for the use of the Ariel water, bounce house, and inflatable slide.

7. Movies in the Park

CDD Urban announced he talked with the library and he believed using their license was a bad idea. He went on to explain his reasoning and recommended the city not collaborate with the Library on Movies in the Park.

CDD Urban stated it would be fun to show a movie and then do an educational piece about the movie and have the library bring books or other resources.

Liaison Benson stated they would only need \$1,100 for that budget and she hoped whatever was left could be added to the Veneta 4th budget.

Liaison Benson mentioned there would be costume contents during Movies in the Park.

Liaison Benson recommended the board consider approving budget to help with Movies in the Park specifically for the licensing needed to play music.

Member Cox supported that recommendation.

CA Michel stated we have a license for broadcasting but not for live music.

Chair Miller asked what that budget would be.

Ms. Blake stated she would have to get two licenses and was working on the numbers which would be about 30% of the total \$800 cost.
