## Coach Cristobal and Family Donate Lunches to Sanipac Drivers

We are extending a big thank you to Oregon Duck's Football Coach Mario Cristobal and his wife Jessica for buying Sanipac's drivers lunch on April 10. They paid for Vinnie's Smokin' BBQ to come out to Sanipac during lunch time and make boxed lunches, which were distributed to the drivers. This act of generosity is greatly appreciated by our hard working drivers. Thank you from Sanipac to the Cristobal family and... Go Ducks!

Oregonians are practical and savvy. That's why more and more of us are choosing quality clothes that save money, last longer and reduce waste. Well-made clothes are available for every budget, are built to last, and can be worn often and for years to come. It's about making choices that make sense—which is just part of who we are.

## GROCERIES: DON'T FORGET THE BAG!

Sanipac wants to remind the community "Don't Forget the Bag!" When you grocery shop, be sure to take along reusable bags. Never put plastic bags in your recycle cart. They cause jams in equipment that are dangerous and time consuming to remove.

## JOIN OTHER OREGON BUSINESSES AND BE PART OF THE SOLUTION TO STOP WASTED FOOD

## Save money. Save resources. Be a leader.

Each year, an estimated 25 to 40% of all food produced or imported for consumption in the United States is never eaten. That's as much as 63 million tons of wasted food. Of that food, 40% is estimated to come from consumer-facing businesses—businesses like yours. And that wasted food means wasted money, by some estimates as much as \$57 billion annually for U.S. businesses. More info: [www.oregon.gov/deq](http://www.oregon.gov/deq)
