Application for a Tree Removal Permit shall be made before removing or transplanting trees, except in emergency situations as provided in Veneta Municipal Code (VMC) 8.10.040.

By submission of an application, the applicant shall be deemed to have authorized City representatives to have access to applicant's property upon 24 hours notice as may be needed to verify the information provided, to observe site conditions, and if a permit is granted, to verify that terms and conditions of the permit are followed.

(a) The applicant proposes to remove more than three trees within a 12-month period, independent of an application for site development review; or (b) The applicant proposes to remove a tree or trees which were preserved as part of a previous land use permit or planted as mitigation for previous tree removal; or (c) The applicant proposes to remove a heritage tree; or (d) The proposed tree removal is for clearing of a home site on a lot subsequent to land division approval. All trees removed for home sites prior to occupancy shall be mitigated according to the standards of this chapter.
