Please provide a brief explanation of why tree removal is necessary:

This is one of two trees planted in the front lot area by Hayden contractors when this subdivision was built, approx 2006.
This red maple is close to the sidewalk, our driveway, electric and sewer lines. It has roots running under and over all of these.
We have noted cracks across our driveway for a few years now, likely due to the roots from this very tall, red maple tree.
The tree sheds leaves every Autumn, creating a large mess over the yard, sidewalk, street and driveway.

Would you like to receive assistance from the tree fund to plant a new tree? ☒ Yes ☐ No

(Up to \$200 per tree, up to 3 trees maximum. See the Tree Reimbursement Application or contact City staff for more details).

Please provide a sketch of the location and number of trees in relation to surrounding structures, property lines, etc., sufficient to allow City staff to locate the trees in question:

I HEREBY STATE THAT THE FACTS RELATED IN THE ABOVE APPLICATION AND THE PLANS AND DOCUMENTS SUBMITTED HEREWITH ARE TRUE, COMPLETE, CORRECT, AND ACCURATE TO THE BEST OF MY KNOWLEDGE.
