

Backflow Assembly Testers

Backflow Assembly Testers are required to obtain licensing through the Construction Contractors Board (CCB) or Landscape Contractors Board (LCB) when providing service for a fee. This list is provided as a courtesy by the City of Veneta. To verify licensing for testers on this list, please contact the CCB (503) 378-4621 or the LCB (503) 986-6561.
