Submittal requirements: Plan and elevation drawn to scale including proposed location, sign material, color, dimensions, shape and height above grade. The drawing shall show the structural elements of the proposed sign and supporting structure(s) and any other information needed to show that the sign will not interfere with traffic safety, public health, or general welfare. **Building Signs:** The diagram shall show where the sign will be attached to the building, including the distance the sign will project from the wall to which it is attached and the height above the finished ground surface over which it is mounted. **Free-standing Signs:** In addition to the diagram, a site plan shall be submitted which shows the placement of the sign on the property with dimensions from property lines, driveways, sidewalks, parking areas and buildings.

Please circle/check the sign district that the sign is proposed to be located within:

Highway 126 Corridor District <input type="checkbox"/>	Business District <input type="checkbox"/>	Residential District <input type="checkbox"/>	Downtown District <input checked="" type="checkbox"/>
--	--	---	---

Note: Sign District depends on the zoning district of the property as described in Veneta Land Development Ordinance No. 493. See Section 5.15(3) – Designated Sign Districts of the ordinance for description of each sign district. Here is a web link to the Veneta Land Development Ordinance No. 493: <https://www.venetaoregon.gov/sites/default/files/fileattachments/planning/page/1252/new land development ordinance 493 effective october 9 2019.pdf>

Note: You will need to identify the zone in which the sign is proposed in order to determine the applicable sign district. The Veneta Zoning & Floodplain Map can be found here: <https://www.venetaoregon.gov/sites/default/files/fileattachments/planning/page/907/zoning map - effective 10.9.19.pdf>

Please circle/check the type of sign proposed:
