Please provide a brief explanation of why tree removal is necessary:

Tree has grown too large for the small space it was planted in. Large roots are above ground and growing towards house foundation and electrical box along the walkway. This poses a problem in the very near future with costly damage to neighbor's driveway, our home's foundation and electrical box/wires. A professional arborist evaluated & suggested the tree be removed to avoid damage as described above. cos

Would you like to receive assistance from the tree fund to plant a new tree? ☒ Yes ☐ No

Please provide a sketch of the location and number of trees in relation to surrounding structures, property lines, etc., sufficient to allow City staff to locate the trees in question:

I HEREBY STATE THAT THE FACTS RELATED IN THE ABOVE APPLICATION AND THE PLANS AND DOCUMENTS SUBMITTED HERewith ARE TRUE, COMPLETE, CORRECT, AND ACCURATE TO THE BEST OF MY KNOWLEDGE.
