(if not applicant)

APPLICATION FEES & DEPOSITS

Fees and deposits are intended to cover the full cost for processing applications. They are not intended to cover the cost for interpretation of ordinances or for long-range planning. Applicants seeking development which requires more than one type of review (such as site plans and conditional use permits) must pay all applicable fees and deposits. Applicant acknowledges and agrees that Applicant's failure to pay City costs over the base fee amounts, as charged monthly by the City, may result in the City pursuing any or all legal remedies available, including but not limited to lien on Property in the amount owed; prosecution for violation of the City's current fee resolution and the Veneta Zoning and Development Code; issuance of a stop work order, non-issuance of building permits for Property, or cessation of related proceedings; set-off against any reimbursement owed; and turning amounts owed over to a collection agency.

Application Deposits: Certain application fees are represented by a deposit amount. Applicants shall be charged for actual processing costs incurred by the City. City staff time shall be monitored for applications which require a deposit in lieu of a non-refundable fee. Any unused portion of the deposit shall be returned to Applicant upon completion of the application process, conditions of approval, and any ensuing appeals. Any additional costs incurred beyond the deposit amount shall be charged to and paid by Applicant on a monthly basis. Applicant agrees that Applicant's failure to pay these amounts triggers City's option to pursue any or all remedies, as listed above.

Application Fees: Fixed fees are non-refundable and are based on average application processing costs rounded to the nearest \$25.

Technical Review/Publication Deposit: The actual costs charged to the City for technical review of land use applications, including but not limited to City's planning, public works, engineering, administration, legal, wetland specialists, geologists, biologists, arborist, and any other services provided in processing Application, shall be charged to Applicant, at the rate(s) charged to the City. In addition, the actual costs of preparing and mailing notices to abutting property owners or others required to be notified, the costs of publishing notices in newspapers, and any other mandated costs shall be charged to Applicant. Such costs shall be adjusted as soon as the specific amounts are known. Applicant agrees that any deficiencies shall be collected from Applicant, and that Applicant's failure to pay these amounts triggers City's option to pursue any or all remedies, as listed above.
