

**Temporary Sign:** A Sign which is not permanently affixed to a building, structure or the ground, including all devices such as banners, pennants, sandwich boards, sidewalk signs, curb signs and balloons which will be **displayed for less than 30 days per calendar year.**

*Although no permit is required for a temporary sign, the Building and Planning Official must be notified of any temporary signs.*

**Portable Sign:** A single or double surface painted or poster type sign which is not permanently attached to a building, structure or the ground which is to be **displayed for more than 30 days per calendar year.** It shall be constructed of weather-resistant paper, cloth, wood, plastic, or metal, or other material with sufficient structural integrity to withstand wind and moisture, so as to maintain appearance and service for the term of use. **Portable signs are not permitted in the Rural Residential zone, General Residential zone and Single-Family Residential zone.** An approved Sign Permit is required for portable signs in the commercial, residential-commercial, industrial -commercial, industrial, and public facilities and parks.

Please see Veneta Zoning and Development Code, Section 5.15 to find out what types of signs require an approved permit.
