Please provide a brief explanation of why tree removal is necessary:

Construction of two new buildings with a shared parking lot.

Would you like to receive assistance from the tree fund to plant a new tree? ☐ Yes ☒ No

provide an accurate map drawn to scale which shows:

2 shape and dimensions of the property and the location of any existing and proposed structures, improvements, easements setbacks.

The location of all impacted trees on the site including critical root zones (CRZ), species and/or common name, and diameter at breast height (dbh).

Please see Attachment.

All trees to be removed shall be identified by a method obvious to a site inspector, such as tagging, painting or flagging, in addition to clear identification on construction or application documents.

Please provide a brief explanation of what tree protection measures will be taken in conformance with Veneta Municipal Code (VMC) 8.10.130 must be outlined to address protection of the tree trunks, canopy and soils within the CRZ during and after the tree removal process. Examples of tree protection methods include mulching, irrigation, protective fencing, etc.

Trees will be cut down by: Timber Valley Tree Service. Contact person is Ryan Hansey 541-914-7594. ccb #226823

Once cut, the limbs will removed and hauled away. The trunks will then be cut into firewood, or be transported off the property to be milled into beams. The stumps will be removed at the time of excavation for building prep.

Please provide a brief description of the proposed tree replacement program with a detailed explanation including the number, size, species and any necessary activities to ensure viability including, but not limited to, mulching and irrigation.

We will attempt to replace all the trees with ones listed as acceptable. If the Landscape Architect decides there is not

enough room to plant all 16 trees, then we will pay the \$250 fee for the few trees left off. In-ground irrigation will be provided.

If tree removal is proposed on common areas governed by Covenants, Conditions and Restrictions (CC&Rs), a copy of the application CC&Rs, including any landscaping provisions must be included with this application.

I HEREBY STATE THAT THE FACTS RELATED IN THE ABOVE APPLICATION AND THE PLANS AND DOCUMENTS SUBMITTED HERewith ARE TRUE, COMPLETE, CORRECT, AND ACCURATE TO THE BEST OF MY KNOWLEDGE.

Applicant's Signature: Susan O'Con

Property Owner's Signature: CWS@Tanglewood / Susan O'Con

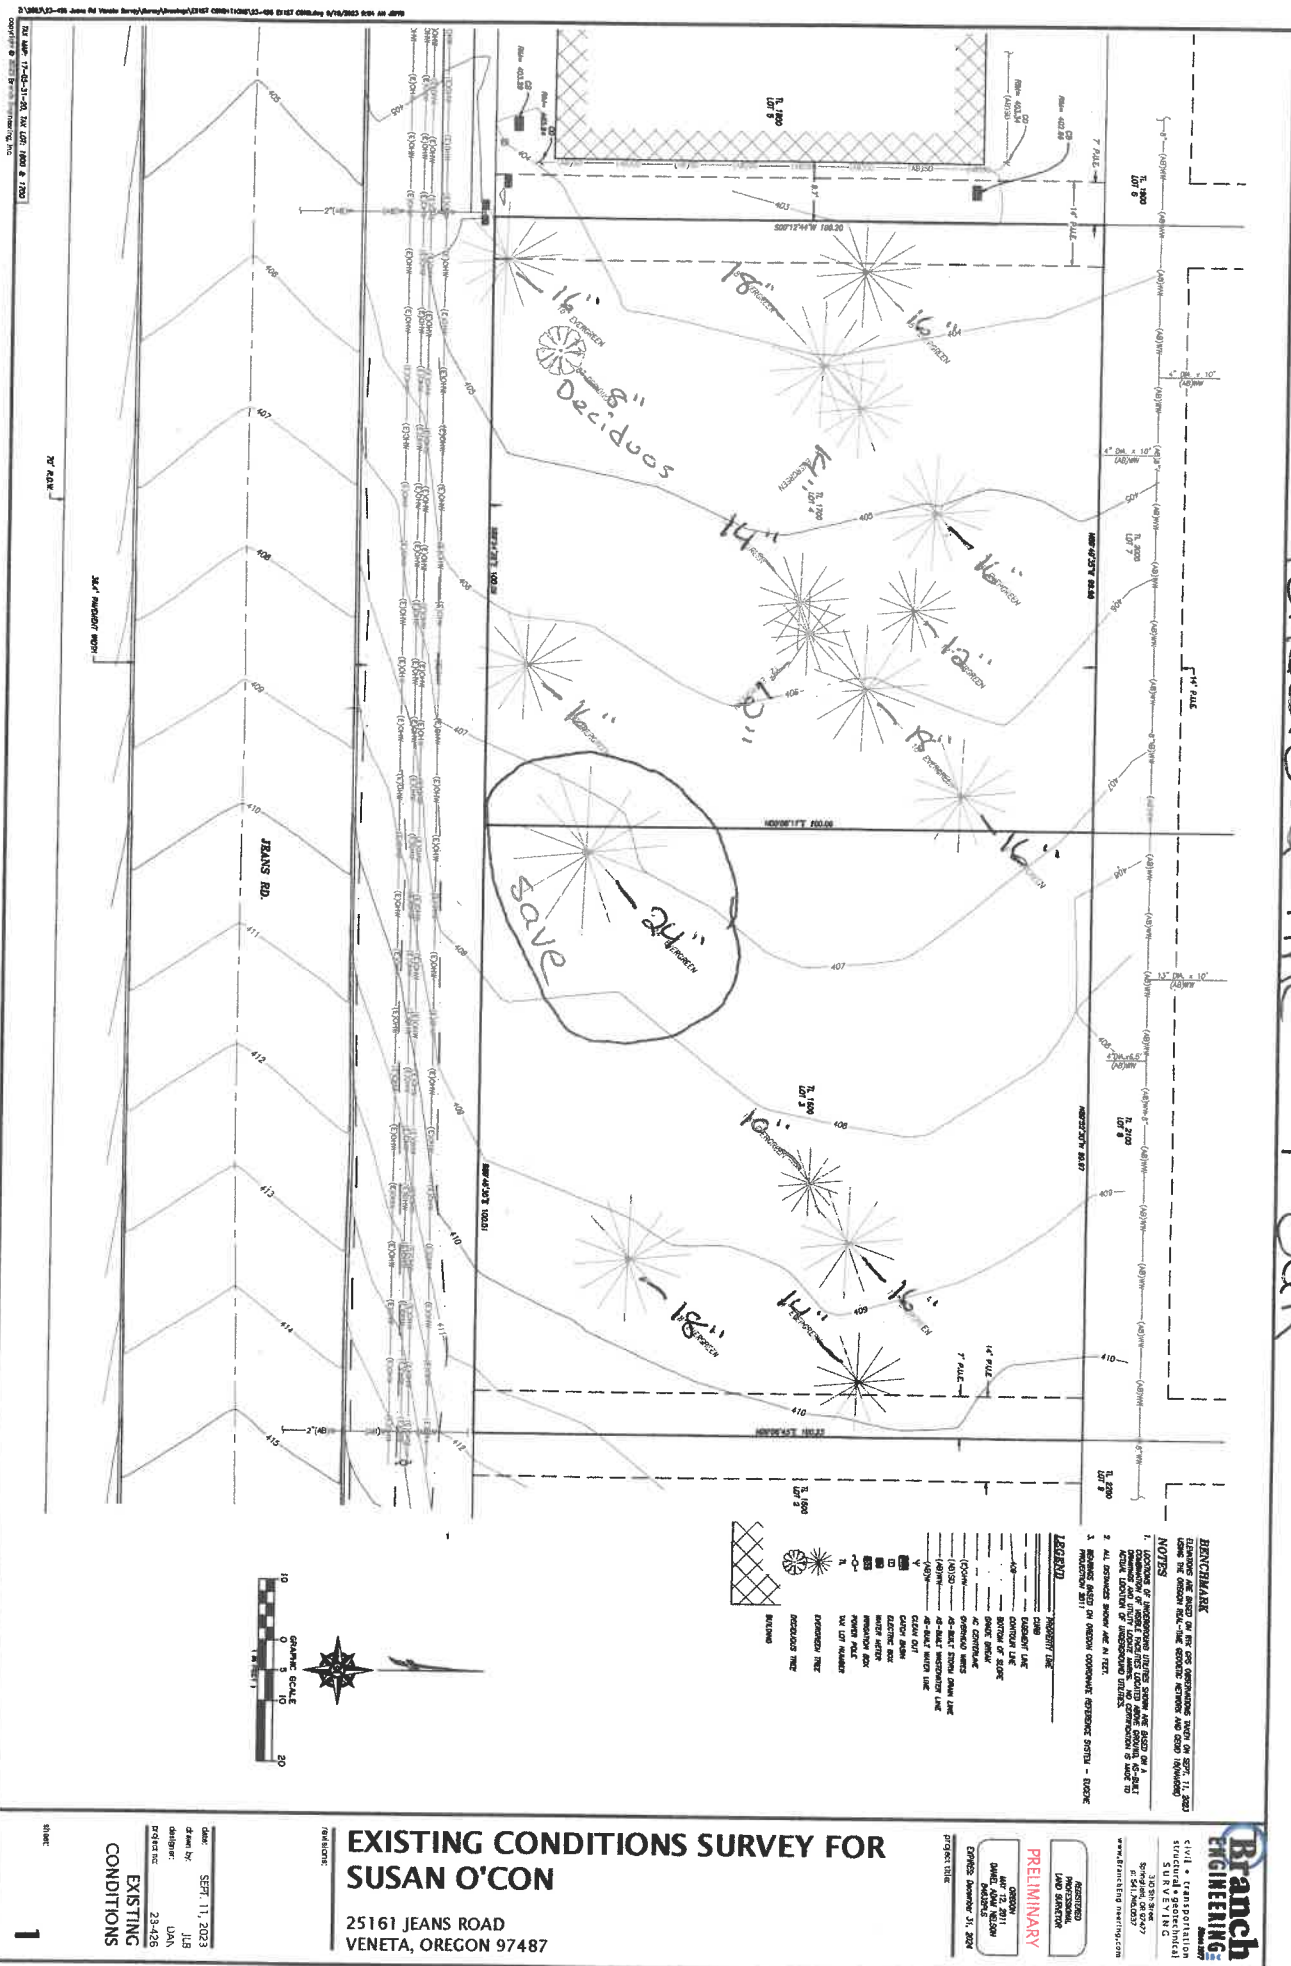

Comments: Approved with the following condition:

A Tree Replacement plan that meets the criteria of VMC 8.10.120 will be required at the time of Site Plan Review application submittal for the subject property.
